

To Whom It Concerns,

I have just filed an amended Form 9 report to try to correct a mistake with a recent electronic online filing. My organization is a qualified non-profit and its disbursements for electioneering communications have been made exclusively from donations to a segregated bank account. I have answered 'Yes' to questions 6 and 7 on three separate initial Form 9 filings, and again on the above mentioned amended report. But when I check to see the HTML versions of the actual filed Form 9 reports, questions 6 and 7 are marked with "no"s.

I believe there is an online filing "glitch" that either changes a "yes" to a "no," or that defaults to "no" on these two questions. I am prepared to file amended reports for each of our three Form 9 filing this year, but I don't see the purpose if filing an amended report does not fix the problem. Please advise me as to what to do. I can be reached at 202-293-0222 (office) or 617-899-1084 (cell).

Thank you in advance,
